CONSCIOUS GROWTH

Joint Data Controller Agreement – Summary

***Document ref**: JointControlSum2609a*

Conscious Growth is run by Michael Conti and Joan Manuel Giménez Sanchíz, who are joint controllers of the personal data processed through consciousgrowth.eu and our retreats. This means we decide together why and how your data is used, and we have a written agreement setting out how we share responsibility for it.

Who does what

Joan is the first point of contact for any request about your data, such as access, correction or deletion.
Michael makes sure explicit consent for health information is in place before each retreat and keeps our records of how data is processed up to date.
Together, we keep this privacy information current, keep your data secure, carry out risk assessments for health data, and handle any data breach, including informing the relevant authority and, where needed, the people affected.

Your rights

You can contact us at contact@consciousgrowth.eu, and you can exercise your rights against either of us, whoever you approach. If one of us receives your request, we will let the other know within 48 hours, and we will reply within one month.

Responsibility

If you were harmed by how your data was handled, you can seek compensation from either of us.

Supervisory authorities

Our main establishment is in Spain, so our lead authority is the Agencia Española de Protección de Datos (AEPD). For retreats in the Netherlands, the Autoriteit Persoonsgegevens (Dutch Data Protection Authority) may also be involved. You can also complain to the authority in the country where you live or work.
For full details of how we use your data, please see our Privacy Policy available at consciousgrowth.eu.
